

Musée de l'aérospatiale du Québec

Québec Aerospace Museum

Become a member of the Québec Aerospace Museum and you could win a flight in a Helicraft helicopter or Pascan Aviation airplane!

The « Saint-Laurent » tour offered by Helicraft.

One of Helicraft's Robinson R44s.

Pascan Aviation route map.

A Saab SF340B of Pascan Aviation.

Informations about the contest:

- The competition runs from April 1, 2024 to March 31, 2025.
- All regular members of the Québec Aerospace Museum (npo) who join or renewing their membership between April 1, 2024 to March 31, 2025 are eligible to win a flight. (People who have received a courtesy membership card or who have won a free regular membership card are not eligible).
- The first draw will take place in early October 2024 for memberships and renewals occurring between April 1, 2024 and September 30, 2024.
- A second draw will take place in early April 2025 for memberships and renewals occurring between October 1, 2024 and March 31, 2025.
- Winners will be personally notified by the Museum.
- The Helicraft prize for each of the two draws is a « Circuit Saint-Laurent » helicopter flight for three people
- The Pascan Aviation prize for each of the two draws is two flights for one person to any of the destinations served by the regional airline.
- The flights won cannot be exchanged, resold or redeemed in any way.
- The prize flights are valid until December 31, 2025.
- Information on how to join the museum or renew your QAM membership can be found on the following webpage: <http://www.maq-qam.ca/members.php>.
